

---

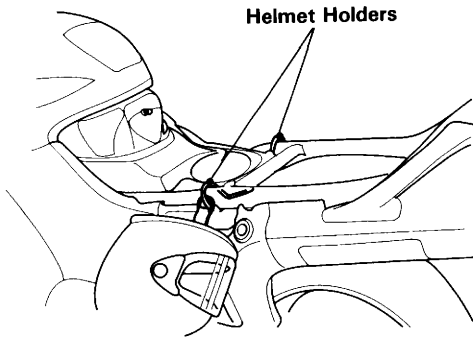

## HELMET HOLDERS

The helmet holders are under the seat.

Remove the seat (page 36). Hang your helmet(s) on the holder pin. Install the seat.

### ▲ WARNING

- ***The helmet holder is designed for helmet security while parked. Do not ride with a helmet attached to the holder; the helmet may interfere with safe operation and result in loss of control.***

## CORD HOOKS

Use the cord hooks to fasten cargo.

The cord hooks are under the seat.

Remove the seat (page 36). Open the hook and install the seat.

### CAUTION:

- ***Never use the cord hook to tow or lift the motorcycle.***
