

# Specifications

| <b>Electrical</b> |                               |
|-------------------|-------------------------------|
| battery           | GYZ16H<br>12 V – 16 Ah (10HR) |
| generator         | 0.481 kW/5,000 rpm            |

| <b>Lights</b>                                      |                  |
|--|------------------|
| headlight  | 12 V 35/35 W × 2 |
| assist headlight                                   | 12 V 50 W        |
| brake/tail light                                   | LED              |
| neutral indicator                                  | LED              |
| reverse indicator                                  | LED              |
| high coolant temperature indicator                 | LED              |
| PGM-FI indicator                                   | LED              |
| differential lock indicator                        | LED              |
| PS (Electric Power Steering) indicator (TRX520FM2) | LED              |

| <b>Fuses</b>                              |                |
|---|----------------|
| main 1                                    | 40 A           |
| main 2                                    | 10 A           |
| other                                     | 20 A × 4, 10 A |
| EPS (Electric Power Steering) (TRX520FM2) | 40 A           |
